Athletics: Intercollegiate

Intercollegiate athletics are an integral part of life at Eastern Mennonite University. Christian values, goals and standards of excellence are the foundation for athletics. The athletic program is designed to provide men and women with opportunities to experience personal growth in leadership, athletic skills, wholesome attitudes, spiritual understanding, and life-long relationships. Balance between academic achievement and athletic accomplishment is emphasized.

The dynamics of interpersonal relationships are an important component of the athletic department. Christian coaches stress relationship building, teamwork, communication and service. Athletes are encouraged to involve themselves in the life of the campus community and beyond. As athletes interact with others and as they are challenged to develop their talents, they learn about themselves and the world in ways not available in the classroom. Athletic contests become community events as the campus and greater Harrisonburg communities gather to support the Royals.

EMU fields varsity teams for men in soccer, cross-country, basketball, volleyball, golf, baseball and indoor and outdoor track and field. Women's sports include cross-country, field hockey, volleyball, golf, basketball, softball, soccer and indoor and outdoor track and field.

Both men and women compete as members of the National Collegiate Athletic Association (NCAA) Division

III and the Old Dominion Athletic Conference (ODAC). Men's Volleyball competes in the Continental Volleyball Conference (CVC).

Athletic excellence is stressed and the Royals have won a number of conference championships and competed at the national level, most recently with the men's basketball team reaching the Elite Eight in the NCAA tournament. Student-athletes have received conference, state, region, and national awards for both athletic and academic achievements.

EMU provides quality facilities for our athletes to maximize their abilities. In 2000, the University Commons was added. This building is home to the athletic department offices as well as the men's and women's basketball and volleyball teams and provides state-of-the-art athletic training facilities, weightroom, and indoor track. For more information on any phase of the athletic program, contact the athletics department at 540-432-4440.

Athletics: Recreational Sports

A complete program of athletic and recreational sports and wellness is steered by the Recreational Sports Committee. Sports with full-scale recreational sports seasons include: football (co-ed and men's), soccer (men's and women's), floor hockey (co-ed), dodgeball (co-ed), softball (co-ed), volleyball (co-ed), indoor soccer (co-ed), and basketball

(men's and women's). Teams have 8-10 regular season games and may qualify for playoffs. One-day tournaments are also offered. They include sand volleyball, 3-on-3 basketball, table tennis, co-ed volleyball, tennis, golf, wall-climbing and more. Numerous outdoor activities are also offered through the program. These include canoeing, caving, skiing, rock climbing and hiking. Over 60 percent of the student body participates in what students describe as a very popular program.

Campus Activities Council (CAC)

CAC serves as the main social programming organization for Eastern Mennonite University and is comprised of a student leadership team advised by the Student Programs professional staff. Members plan, publicize and organize activities, and help generate ideas for new programs and events.

Committees include:

Tech - This committee coordinates technical sound and lights for concerts and other events. This committee also provides sound equipment and expertise for many other campus activities.

Films - This committee organizes films shown on campus. The film series focuses on a variety of current theatrical feature movies, along with topical films sponsored with other groups on campus.

Social and Recreation - This committee coordinates Midnight Bowling, Late Night in the Commons, the annual semi-formal, weekend socials, dances, theme nights and annual programs such as Fall Fest and Spring Fest.

Publicity - This committee creates and maintains all the advertising for events, including flyers, white boards, table tents, and other forms.

Performing Arts - This committee plans a series of performances by off-campus professionals. A wide variety of genres are included each year

Music Ensembles

The musical organizations, all of which offer credit, are open to all interested students. These groups include the Chamber Singers, Chamber Orchestra, EMU Jazz, Choir Without Borders, and Wind Ensemble. See pages 143-144 for details and audition requirements.

Student Government Association

SGA executive officers and senators are elected to coordinate student involvement in the campus community, to organize student opinions concerning campus life, to communicate concerns to and from the administration, to aid in decision-making, to educate on representative government, and to encourage each student toward campus and world citizenship.

Student Publications

Shenandoah, the EMU yearbook, is produced and published by student staff with partial financial support from student fees allocated by SGA. The pictorial record features undergraduate students, campus activities, and faculty/staff. Yearbook staff may receive credit or financial remuneration.

The student newspaper, *Weather Vane*, issued weekly throughout the year, contains campus news and features from the students' viewpoint. It offers practical experience in news, feature and opinion writing, photography, advertising, circulation and management. Selection of the editor is by recommendation of the visual and communication arts department. Eligible staff members may receive credit and financial remuneration.

EMU Theater

EMU Theater seeks to promote an understanding and appreciation for the theater arts through direct participation in play production. The program sup-

ports the larger liberal arts vision of the university and provides a foundation for the curriculum of the theater major. Mainstage productions are produced each year. Student- and guest-directed full-length plays and a student-led improvisation group perform in the Studio Theater. Auditions and technical positions are open to all university students who desire the unique and comprehensive education provided through participation in the art of theater.

Young People's Christian Association

YPCA, a student organization, provides opportunities for mission, service, and outreach in the name of Jesus. The YPCA program is guided and shaped by a student leadership team with support from campus pastors.

YPCA provides a place to discuss, encourage, and grow a desire for missions, offers opportunities to engage in service both locally and more widely, and facilitates ministry opportunities by creating partnerships with area churches, agencies and organizations.

Highlights of the YPCA program include awareness theme weeks, fall and spring service days, YPCA Scholarships for seminars and conferences, and spring break service trips. More information about YPCA is available at www.emu.edu/ypca.
