

**Community Learning Evaluation Spring 2007:  
Faculty Survey**

*Please respond to the following questions. Your input is valuable to us!*

1. Give your definition of Community Learning at EMU. What is “it”?
  
2. To what extent do you think Community Learning helps achieve Global Village Curriculum goals? How?  
  
... achieve the Mission and Vision of EMU? How?
  
3. What Community Learning courses have you taught or helped to teach?  
*(optional)*
  
4. As a result of EMU’s Community Learning initiative, has your pedagogical approach changed? Are you teaching in new ways? If so, how?
  
5. Comment on the resourcing (e.g. community contacts, placement assistance, course development, etc.) provided to you or your department by EMU’s Community Learning.
  
6. In what ways are you involved in the local community? Has teaching Community Learning been influential in these connections?

*We thank you for your contribution to EMU and our community!*
