

**Community Learning Evaluation:  
Staff Questions**

*Please respond to the following questions. Your input is valuable to us!*

1. Give your definition of Community Learning at EMU. What is “it”?
  
2. To what extent have you felt informed about EMU’s Community Learning initiative?  
  
*Very informed            satisfactorily informed            uninformed*
  
3. To what extent have you felt included in EMU’s Community Learning initiative?  
  
*Very included            satisfactorily included            not included*
  
4. To what extent do you think Community Learning helps achieve Global Village Curriculum goals? How does this happen?  
  
... helps achieve the Mission and Vision of EMU? How?
  
5. If you could offer an image of a strong university/community partnership, what would it look like? What would you most like to see? How can you imagine staff helping to make this happen? Faculty? Students? University?
  
6. In what ways are you involved in the local community? Has the EMU Community Learning initiative been influential in these connections?
