¹ Adult Degree Completion Program enrollment will vary significantly from semester to semester due to the timing by which the program cohorts begin their classes.

² Graduate/seminary students may register for courses in more than one graduate program in a single semester. Such students are reported according to the program they are pursuing rather than by the program(s) in which they are currently registered.

³ Counseling program enrollment in fall semester included registration in two courses offered through the Institute for Experiential Therapies.

⁴ Graduate Education Program enrollment will vary significantly from semester to semester because many classes begin after the date when this report is prepared.
