This report reflects enrollment as of the institution's official census date, which is the end of the tenth day of classes (January 16, 2015)

¹ Adult Degree Completion Program enrollment will vary significantly from semester to semester due to the timing by which the program cohorts begin their classes.

² Graduate/seminary students may register for courses in more than one graduate program in a single semester. Such students are reported according to the program they are pursuing rather than by the program(s) in which they are currently registered.

³ Graduate Education Program enrollment will vary significantly from semester to semester because many classes begin after the date when this report is prepared.
