¹ LOM and RN to BS program enrollments may vary significantly from semester to semester due to the timing by which the program cohorts begin their classes.

² Graduate/seminary students may register for courses in more than one graduate program in a single semester. Such students are reported according to the program they are pursuing rather than by the program(s) in which they are currently registered.

³ Graduate Education Program enrollment will vary significantly from semester to semester because many classes begin after the date when this report is prepared.

⁴ Fall semester totals represent a Leadership and Organizational Management cohort. Spring totals represent a Management and Organizational Development cohort.

⁵ The Spring 2015-16 FTE total for the Lancaster RN to BS program has been corrected to include students omitted previously.
