Table IV. Full-time-equivalent Enrollments

Institution: MASTER ADULT DEGREE COMPLETION

	ADULT DEGREE COMPLETION
	Total
Full-time students	132
Part-time students	
Full-time-equivalent students	
Method A (optional)	
Method B	

Note:

Definitions:

1. All ADCP students have been reported as full-time. ADCP classes are held one night each week for approximately 15 months for management and organizational development (MOD) and 17 months for nursing. MOD students earn a total of 38 semester hours, and nursing students earn 42.

Method A. Divide total student-hours or student-courses in the fall term by the normal progress toward graduation per term. For example, for the traditional 120 semester hours to be earned in eight semesters, the divisor would be 15.

Method B. Use the total number of full-time students and add the full-time equivalent of part-time students calculated as in Method A. (All of you have been reporting by Method B, and we use this method for making comparisons. Please report at least by Method B.)
